

A *Lasting* Tribute...

A *Fitting* Honor...

*Honor a loved one's memory or celebrate a special occasion by making a memorial or tribute gift in their honor to the **Sons of Italy Foundation.***

Whether you are fulfilling a family member's wish to support the Sons of Italy or surprising a friend with a gift that truly embraces the meaning of giving, a donation to the Sons of Italy Foundation (SIF) is an easy and meaningful way to do good while honoring someone special.

Your donation in honor of another person is the gift that keeps giving, because it is applied to the SIF's charitable programs that make a lasting impact on those who need it most... a bright student who can further his education thanks to a Sons of Italy scholarship, a victim of natural disaster who is given a second chance, or a family relying on research into new treatments for Alzheimer's disease. These are just a few examples of the power of your donation.

Memorial gifts may be made in honor of someone who has passed away. If you wish, a gift notification may be sent to a person you designate.

Tribute gifts may be made for any occasion – or no occasion at all! Birthdays, anniversaries, graduations, even Christmas, are all perfect opportunities to make a tribute gift to someone who is proud of his or her Italian heritage, is charitable...or simply has it all. If you wish, the person you are honoring will be notified of your gift.

Memorial and Tribute gifts may be made online or through the mail. Visit **WWW.OSIA.ORG** or complete and return this Memorial & Tribute Gift form (see reverse) to make your donation. The gift honoree or designee can be notified by e-card (fastest method) or by mail*.

Memorial and Tribute gift donations are 100% tax-deductible. You may make a Memorial or Tribute gift with a donation of any amount to any or all Sons of Italy Foundation funds. Donations of \$200 or more will be acknowledged with a confirmation letter. All donations made online (regardless of amount) are acknowledged with an email receipt.

**Please allow up to 5 days for e-card notifications to be sent, and at least 7 days for mail notifications to be sent. If you are making your gift through the mail, rather than online, please note that processing the gift and notifications may take longer.*
